

## DATENBLATT DATASHEET

|                      |                                |
|----------------------|--------------------------------|
| Artikel Nr. Item Nr. | Glas 6-1498/F (Glassäule oben) |
| Artikel ID Item ID   | 200.061498-04                  |
| EAN-Code             | 9003090263523                  |

### ABMESSUNGEN MEASUREMENTS

|                          |        |
|--------------------------|--------|
| Durchmesser Diameter     | 56 mm  |
| Höhe Height              | 140 mm |
| Lochmaß Hole Measurement | 13     |

### PRODUKTDDETAILS PRODUCT DETAILS

|                                         |                                                  |
|-----------------------------------------|--------------------------------------------------|
| Material Material                       | Glas Glass                                       |
| Farbe Color                             | Klar Clear                                       |
| Qualität Kristallbehang Crystal Quality | Halbschliff / Pressglas Half Cut / Pressed Glass |
